MEMORANDUM

TO: Mark Peycke
6C-R

FROM: Garret Bondy 
6H-EA

SUBJECT: Arkwood, Inc. Site
Record of Decision

Attached for your review is a copy of the Arkwood, Inc. site draft ROD, and special notice letter for RD/RA. I would like for Mr. Benton, the attorney assigned to the case, to provide his comments to Mr. Truskowski within a week (by September 10, 1990). It is very important that we receive ORC comments as quickly as possible to ensure incorporation prior to the ROD concurrence procedure. Please let me know if there will be any delay in the review.

I am also requesting that ORC provide to me as quickly as possible, a draft Consent Decree for our review. According to current policy, the special notice letters are to be sent to the PRPs upon signature of the ROD. Included in the special notice letters are the ROD and a draft Consent Decree for the PRPs' consideration for a good faith offer. If possible, provide the CD on WordPerfect to expedite the review and revision process. Also, please notify DOJ of the Region's requirement of an attorney for the RD/RA negotiation process.

If you have any questions regarding these requests, please call me at X-6582.
